Hardcover

Few relationships have been
as misunderstood as the
"strategic partnership"

Online Library Axis Of Convenience Moscow

Beijing Russia and China.

Official rhetoric portrays
it as the very model of
international cooperation:

Moscow and Beijing claim
that ties are closer and
warmer than at any time in
history. In reality,

Online Library Axis Of Convenience Moscow

however, the picture is highly ambiguous. While both sides are committed to multifaceted engagement, cooperation is complicated by historical suspicions, cultural prejudices, geopolitical rivalries, and

Online Library Axis Of Convenience Moscow

competing priorities. For
Russia, China is at once the
focus of a genuine
convergence of interests and
the greatest long-term
threat to its national
security. For China, Russia
is a key supplier of energy

Online Library Axis Of Convenience Moscow

Beijing And, but is frequently dismissed as a self-important power whose rhetoric far outstrips its real influence. A xis of Convenience cuts through the mythmaking and examines the Sino-Russian partnership on

Online Library Axis Of Convenience Moscow

its own merits. It steers
between the overblown
interpretation of an anti-
Western (particularly, anti-
American) alliance and the
complacent assumption that
past animosities and
competing agendas must

Online Library Axis Of Convenience Moscow

always divide the two nations. Their relationship reflects a new geopolitics, one that eschews formal alliances in favor of more flexible and opportunistic arrangements. Ultimately, it is an axis of convenience

Online Library Axis Of Convenience Moscow

Driven by cold-eyed
perceptions of the national
interest. In evaluating the
current state and future
prospects of the
relationship, Bobo Lo
assesses its impact on the
evolving strategic

Online Library Axis Of Convenience Moscow

environments in Central and East Asia. He also analyzes the global implications of rapprochement between Moscow and Beijing, focusing in particular on the geopolitics of energy and Russia-China-U.S.

Online Library Axis Of Convenience Moscow

triangularism. The New

Geopolitics Greenlight By

Led by the seemingly
indomitable Vladimir Putin,

Russia has strongly

reasserted itself on the
international stage. In the
worldview of Putin and the

Online Library Axis Of Convenience Moscow

Kremlin, the inevitable decline of the West and rise of the rest provides an opportunity for Russia to fulfill its mission as an independent center of global power. What are the origins of this increasingly

Online Library Axis Of Convenience Moscow

Aggressive stance? What are the geopolitical ramifications? And what will be the likely outcomes? In this timely and accessible work, former diplomat and renowned Russia analyst Bobo Lo examines the interplay

Online Library Axis Of Convenience Moscow

Beijing And The New Russian
foreign policy and a global
environment that has rarely
been more fluid and
uncertain. Russia and the
New World Disorder delves
into Russian policy and
geopolitics via three

Online Library Axis Of Convenience Moscow

questions: • How do Russia's domestic politics and external operating environment influence the Kremlin's foreign policy? • How have policymakers in Moscow responded to that environment, and with what

Online Library Axis Of Convenience Moscow

ramifications? • What are the prospects for change, continuity, or regression in Russian foreign policy over the next decade and beyond? Lo argues that Moscow's approach to regional and global affairs reflects the

Online Library Axis Of Convenience Moscow

Beijing And The New
Geopolitics Greenlight By
Lo Bobo Author 2008
Russia is based on the
reaffirmation of traditional
principles of international
politics: collective

Online Library Axis Of Convenience Moscow

Leadership by the major powers, the dominance of hard power, and the existence of spheres of influence. This idealized view, however, is the antithesis of the actual world that Russia faces

Online Library Axis Of Convenience Moscow

today. It is defined by a new disorder that challenges many core assumptions. Its principal message is that only those states that embrace change will prosper. In this world, Russia is no longer able to rest on

Online Library Axis Of Convenience Moscow

tradition and a sense of entitlement but must instead adapt to fluid international realities and redefine itself as a modern power.

Which of these two diametrically opposed worlds will Russia ultimately

Online Library Axis Of Convenience Moscow

choose? This book makes clear that the next ten to fifteen years will be critical in determining whether Russia plays a leading role in twenty-first-century politics, or ends up as one of the principal

Online Library Axis Of Convenience Moscow

casualties of global
transformation. Copublished
with Chatham House

The book explores
developments in Russia-China
relations in the aftermath
of the global economic

Online Library Axis Of Convenience Moscow

Beijing, arguing that the crisis transformed their bilateral affairs, regional liaisons and, crucially, altered the roles both states play on the international arena. Discussing how Russo-Chinese

Online Library Axis Of Convenience Moscow

cooperation has accelerated
in energy trade, arms sales
and in the Russian Far East,
the focus is on how the
still mutually advantageous
relationship has become more
asymmetric than ever,
reflecting China's meteoric

Online Library Axis Of Convenience Moscow

rise and Russia's decline. These dynamics are explored through three perspectives: domestic, regional and global. Domestically, the book traces the role of political coalitions and key interest groups involved in

Online Library Axis Of Convenience Moscow

how the two states shape their reciprocal policies. Changes in the regional dimension are examined with particular reference to a new status quo emerging in Central Asia. The book concludes by explaining how

Online Library Axis Of Convenience Moscow

the changing relationship is affecting the international order, including the balance of power vis-à-vis the United States as well as Russia and China's changing attitudes towards global governance.

Online Library Axis Of Convenience Moscow Beijing And The New

This book depicts the sophisticated relationship between Russia and China as a pragmatic one, a political "marriage of convenience". Yet at the same time the relationship is stable, and

Online Library Axis Of Convenience Moscow

will remain so. After all, bilateral relations are usually based on pragmatic interests and the pursuit of these interests is the very essence of foreign policy. And, as often happens in life, the most long-lasting

Online Library Axis Of Convenience Moscow

marriages are those based on convenience. The highly complex, complicated, ambiguous and yet, indeed, successful relationship between Russia and China throughout the past 25 years is difficult to grasp

Online Library Axis Of Convenience Moscow

theoretically. Russian and Chinese elites are hard-core realists in their foreign policies, and the neorealist school in international relations seems to be the most adequate one to research Sino-Russian

Online Library Axis Of Convenience Moscow

relations. Realistically, throughout this period China achieved a multidimensional advantage over Russia. Yet, simultaneously Russia-China relations do not follow the patterns of power politics. Beijing knows its limits and

Online Library Axis Of Convenience Moscow

does not go into extremes.
Rather, China successfully
seeks to build a longterm,
stable relationship based on
Chinese terms, where both
sides gain, albeit China
gains a little more. Russia
in this agenda does not

Online Library Axis Of Convenience Moscow

Beijing And The New
Geopolitics Greenlight By
Lo Bobo Author 2008
Hardcover

necessary lose; just gains a
little less out of this
asymmetric deal. Thus, a new
model of bilateral relations
emerges, which may be called
– by paraphrasing the slogan
of Chinese diplomacy – as
“asymmetric win-win”

Online Library Axis Of Convenience Moscow

formula. This model is a kind of “back to the past” – a contemporary equivalent of the first model of Russia-China relations: the *modus vivendi* from the 17th century, achieved after the Nerchinsk treaty.

Online Library Axis Of Convenience Moscow Beijing And The New

The Russian annexation of
Crimea was one of the great
strategic shocks of the past
twenty-five years. For many
in the West, Moscow's
actions in early 2014 marked
the end of illusions about

Online Library Axis Of Convenience Moscow

cooperation, and the return
to geopolitical and
ideological confrontation.

Russia, for so long a
peripheral presence, had
become the central actor in
a new global drama. In this
groundbreaking book,

Online Library Axis Of Convenience Moscow

renowned scholar Bobo Lo analyzes the broader context of the crisis by examining the interplay between Russian foreign policy and an increasingly anarchic international environment. He argues that Moscow's

Online Library Axis Of Convenience Moscow

approach to regional and global affairs reflects the tension between two very different worlds—the perceptual and the actual. The Kremlin highlights the decline of the West, a resurgent Russia, and the

Online Library Axis Of Convenience Moscow

emergence of a new
multipolar order. But this
idealized view is
contradicted by a world
disorder that challenges
core assumptions about the
dominance of great powers
and the utility of military

Online Library Axis Of Convenience Moscow

might. Its lesson is that only those states that embrace change will prosper in the twenty-first century. A Russia able to redefine itself as a modern power would exert a critical influence in many areas of

Online Library Axis Of Convenience Moscow

international politics. But
a Russia that rests on an
outdated sense of
entitlement may end up
instead as one of the
principal casualties of
global transformation.

Online Library Axis Of Convenience Moscow Beijing And The New

Geopolitics Greenlight By

With many predicting the end
of US hegemony, Russia and
China's growing cooperation
in a number of key strategic
areas looks set to have a
major impact on global power

Online Library Axis Of Convenience Moscow

dynamics. But what lies behind this Sino-Russian rapprochement? Is it simply the result of deteriorated Russo-US and Sino-US relations or does it date back to a more fundamental alignment of interests after

Online Library Axis Of Convenience Moscow

the Beijing Cold War? In this book Alexander Lukin answers these questions, offering a deeply informed and nuanced assessment of Russia and China's ever-closer ties. Tracing the evolution of this partnership from the

Online Library Axis Of Convenience Moscow

1990s to the present day, he shows how economic and geopolitical interests drove the two countries together in spite of political and cultural differences. Key areas of cooperation and possible conflict are

Online Library Axis Of Convenience Moscow

explored, from bilateral trade and investment to immigration and security. Ultimately, Lukin argues that China and Russia's strategic partnership is part of a growing system of cooperation in the non-

Online Library Axis Of Convenience Moscow

Western world, which has also seen the emergence of a new political community: Greater Eurasia. His vision of the new China–Russia rapprochement will be essential reading for anyone interested in understanding

Online Library Axis Of Convenience Moscow

this evolving partnership
and the way in which it is
altering the contemporary
geopolitical landscape.

Hardcover

?With Western countries
consumed by domestic
problems, will it be China

Online Library Axis Of Convenience Moscow

and Russia that now define
the rules of global
politics? In a disorderly
world, each has become
increasingly assertive, and
their partnership has
emerged from relative
obscurity to acquire a new

Online Library Axis Of Convenience Moscow

prominence. Yet appearances are deceptive. Beijing and Moscow have shown no capacity to cooperate on grand strategy or establish new international norms. This is no authoritarian alliance, but a partnership

Online Library Axis Of Convenience Moscow

of strategic convenience -
pragmatic, calculating and
constrained.

Lo Bobo Author 2008

The book explores
developments in Russia-China
relations in the aftermath
of the global economic

Online Library Axis Of Convenience Moscow

Beijing, arguing that the crisis transformed their bilateral affairs, regional liaisons and, crucially, altered the roles both states play on the international arena. Discussing how Russo-Chinese

Online Library Axis Of Convenience Moscow

cooperation has accelerated
in energy trade, arms sales
and in the Russian Far East,
the focus is on how the

the changing relationship is affecting the international order, including the balance of power vis-à-vis the United States as well as Russia and China's changing attitudes towards global governance.

Online Library Axis Of Convenience Moscow Beijing And The New

This book is open access
under a CC BY license. This
book explores if and how
Russian policies towards the
Far East region of the
country – and East Asia more
broadly – have changed since

Online Library Axis Of Convenience Moscow

the onset of the Ukraine
crisis and Russia's
annexation of Crimea.

Following the 2014

annexation and the

subsequent enactment of a
sanctions regime against the
country, the Kremlin has

Online Library Axis Of Convenience Moscow

emphasized the eastern
vector in its external
relations. But to what
extent has Russia's 'pivot
to the East' intensified or
changed in nature –
domestically and
internationally – since the

Online Library Axis Of Convenience Moscow

onset of the current crisis
in relations with the West?
Rather than taking the
declared 'pivot' as a fact
and exploring the
consequences of it, the
contributors to this volume
explore whether a pivot has

Online Library Axis Of Convenience Moscow

Indeed happened or if what
we see today is the
continuation of longer-
duration trends, concerns
and ambitions.
