I read a short intro to this story at the end of the FREE prequel "Virgin Beast Mate (Beast Mates, #0)" - and was hooked! I had to purchase and read this story in order to find out what happens to Rey. Despite being dealt a pretty crappy hand up to this point, she ends up with a wild card in the form of her mate, Jamie, the Alpha Beast.

The world building is interesting and progresses throughout the series. The narrator is fantastic with male and female voices. This one only got 4 stars because it is like a teaser to the rest of the series. It should be together with 'Blind Beast Mate' (Beast Mate 1) in on book.

New York Times and USA TODAY Bestselling author of Science Fiction, Urban Fantasy, and Paranormal Romance brings another action, adventure, and suspense-filled story to transport readers out of this world. Ella is the last of a dying breed of humans that live hidden deep in the forests of Washington State. All of her life, she has heard horror stories about the Others, the beasts that live beyond the safety of the mountains. In ancient times, humans and the Others lived together in peace, but a great battle divided them and the shape-shifting species won the war. Ty Bearclaw, a grizzly shifter, is the curator at the Washington State Animal Sanctuary, Research, and Observation Center (WSASROC). A call from a rancher about an unusual animal causing havoc along the borders of the National Forest brings him to the Olympic Mountain National Park. Ty is furious when he discovers that the rancher has placed a trap to capture the creature on government-protected property. His shock soon turns to horror and confusion when he locates the wounded ' animal. ' Ty finds more than he expects when a human, thought to be extinct, turns up in the trap. What is even more confusing is his bear ' s reaction to the female. When word escapes about his discovery, Ty must fight to protect the unusual woman who is more than an oddity – she is his mate! Can Ty keep Ella alive and safe from a shifter obsessed with adding her to his private collection? Not only that, can he protect her when his own government threatens to take her away from him? An Ambassador trying to hold peace... Being an Ambassador wasn't easy. It was even harder when you were the Earth Ambassador on an alien planet that was on the brink of war. As if Naomi didn't have her hands full with war negotiations and ensuring the safety of humans on Agaria, the last straw is the beastly Ezak-X soldier who seems to push all her buttons wrong. But when the war breaks out and the safety of humans is threatened, the odd, horned beast might just be the only man she can count on... But with how her body reacts in his presence, can she trust herself with him...? A beast thirsting for war... Arez has waited for this day his whole existence. Ever since he was created in that damned lab by the scaly Krezlians, he's wanted nothing more than to destroy them. But just when he can taste the war on his lips, he gets thrown together with a peace-loving human female who makes his body hard and his blood boil for an altogether different reason. He's never wanted anything more in his life - except maybe for revenge - and he soon realizes he must make a choice. Revenge... or her? Fate of the Beast is the second book in the Mate of the Beast series, but it can be read as a standalone. Complete with a HEA and no cliffhangers. This book is intended for mature audiences only.

Desperate to escape her successful sister ' s shadow, Euphemia seeks independence as a biotech researcher fixated on destroying Nightz, a dangerous narcotic sought across the colonies. She never believed her life was in danger until a group of men pulled her from her car at gunpoint. Euphemia had also never met a Beast Blood, the nonhuman subspecies with animalistic qualities, until she was rescued by one. Zelaide is a Muta Hunter and a Beast Blood. When his hunt is interrupted by Euphemia ' s attackers, he saves her on a whim. Never expecting to see Euphemia again, he ' s shocked to receive a job protecting the spunky researcher who just might be his lifelong mate. Follow Euphemia and Zelaide as they navigate a colony world brimming with peculiar beasts, powerful narcotics, dangerous criminals, and a budding, interspecies romance!

Fan favorite couple Rhage and Mary return in this gripping novel in the #1 New York Times bestselling Black Dagger Brotherhood series. Nothing is as it used to be for the Black Dagger Brotherhood. The slayers of the Lessening Society are stronger than ever, preying on human weakness to acquire more money, more weapons, more power. But as the Brotherhood readies for an all-out attack on them, one

of their own fights a battle within himself... For Rhage—the Brother with the biggest appetites, but also the biggest heart—life was supposed to be perfect. Or at the very least, perfectly enjoyable. But he can't understand or control the panic and insecurity that plague him. Terrified, he must reassess his priorities after suffering a mortal injury. And the answer, when it comes to him, rocks his—and his beloved Mary's—world...

Warlord Wulf thought nothing could be worse than being tortured and contaminated by the Hive. That was before he's ordered to transport to Earth and represent The Colony in an unfamiliar horror... a human reality show. The Bachelor Beast is the hottest new program on Earth, but being set up with two dozen clingy females is not his idea of a good time. When his Beast refuses to show the slightest interest in any of the show's potential mates, he knows he must choose one or die due to his raging mating fever. His Beast prefers execution to claiming anyone but his true mate. Wulf is resigned to his fate, a one-way trip to Atlan, a prison cell and execution. It is the only honorable thing left to do. Until one glance, one sweet, feminine scent lingering in the air and his beast rages for a female who is not supposed to be his. But try telling that to his Beast when his entire body transforms on live television and one simple word thunders from his lips...MINE. True Mates Series - NOW IN LARGE PRINT! Shy and nerdy Lycan scientist Dr. Jade Cross has lived a quiet life, surrounded by her work and her research. She prefers proven facts, figures, and hard science and doesn't want complications in her life. But her resolve seems to go out the window every time she crosses paths with the handsome and dangerous Sebastian Creed. Since rescuing Jade from her mysterious kidnapers, Sebastian has tried hard to stay away from her. But he's irresistibly drawn to the innocent, delicate beauty and he wants nothing more than to give in to his hunger. When Jade's life is put in danger once again, Sebastian is tasked with keeping her safe, and he risks everything to make sure no harm comes to her. But, Sebastian has a secret. The former Marine turned billionaire CEO is hiding a beast inside him, an animal that wants to possess Jade. He must control his desires and wrestle his inner monster or risk destroying them both. As the evil mages and their leader Stefan, continue their war against the shifters and witches, Jade must walk the fine line between opening herself to Sebastian and preventing him from finding out about the existence of Lycans. With so many secrets between them, can they survive or will they both be caught in the crossfire?

Elia is a poor university student until the night she's taken to the world of the Anima—ruled by humans whose ancient hearts pulse with the blood of animals. There she's forced into a battle to the death. But when Elia survives, and refuses to kill her final opponent, the King must either kill Elia himself, or take her as his mate. Reth, the brutal King of the Beasts with the blood of lions, shocks everyone when he chooses the weak, human Elia to become his Queen. He promises her every comfort of his wealth and position—but he is clear: She will not warm his bed. He chose her to defeat those that were trying to corner him into blending his Leonine line with the Wolves. Elia needs the help of the Anima to become stronger and rule them well. But the vengeful Wolves see only a weak human that brought them shame. As Elia and Reth grow closer, the wolves are determined to destroy her. Will Reth and Elia admit their feelings for each in time to fight for the Kingdom—and their lives—against the villainous wolf-tribe? Or will the wolves kill Elia and steal the throne? [Mature content - no sexual violence] ***** He stalked towards her, chin low so the shadow cast by his hard jaw cut across the thick fur collar of his vest. His hair had fallen over his eyes in the scuffle, so he peered at her through it like a lion in the grass. With each step, his graceful, rolling gait reminded her of a predator stalking its prey. Despite the forest floor littered in twigs and leaves, he didn't make a sound. “Wh-who are you?” Elia stammered, backing away, her hands up. He met her step for step until she came up hard against the tree behind her—and didn't stop until he loomed over her, so broad his shoulders and chest made a wall in front of her. She could feel the heat rising off his skin in the cool, night air. “I am the Leonine King.” His voice was a dark, husky gravel. Behind him a chorus of wheezes, howls, and chirps of agreement rose from the people watching. “And you are?” “Elia,” she breathed. “Elia,” he growled, leaning in closer, bringing with him the scent of pine and rain and the musk of something distinctly male. “I am Reth.” He said the name with a strange, guttural roll in his throat. “I am King of Beasts. I am Clan Leader, and I am Alpha of WildWood.” Several snarls rose from the crowds behind him then, but he ignored them. Elia swallowed as he leaned in until the scruff on his jaw rasped her cheek. “I am the King,” he said, “And you will be my mate.” The forest behind him erupted. (Cover Art used by permission.
