~~Managerial Communication Strategies and Applications ...~~

As a textbook on managerial communication, it is an outrageous tool. Ms. Hynes uses an example about the Hmong people & deer hunting incident that is grossly misrepresented and lacks credibility. This textbook should be removed from the education circulation.

~~Amazon.com: Customer reviews: Managerial Communication ...~~

I am very familiar with managerial communication strategies but my degree program require I take the course. This book was informative and covers exactly what you expect in communication applications: non verbal, conflict management, etc...

A Practical, Strategic Approach to Managerial Communication Managerial Communication: Strategies and Applications focuses on communication skills and strategies that managers need to be successful in today's workplace. Known for its holistic overview of communication, solid research base, and focus on managerial competencies, this text continues to be the market leader in the field. In the Seventh Edition, author Geraldine E. Hynes and new co-author Jennifer R. Veltsos preserve the book's strategic perspective and include new updates to reflect the modern workplace. The new edition adds a chapter on visual communication that explains how to design documents, memorable presentations, and impactful graphics. New coverage of virtual teams, virtual presentations, and online communication help students avoid common pitfalls when using technology.

The new edition adds a chapter on visual communication that explains how to design documents, memorable presentations, and impactful graphics. New coverage of virtual teams, virtual presentations, and online communication help students avoid common pitfalls when using technology. "This is probably the best book on Managerial Communication in the market." —Astrid Sheil, California State University San Bernardino

A Practical, Strategic Approach to Managerial Communication Managerial Communication: Strategies and Applications focuses on communication skills and strategies that managers need in today's workplace. This book continues to be the market leader due to its strategic approach, solid research base, comprehensive coverage, balanced examination of oral and written communication, and focus on managerial, not entry-level, competencies. In the Sixth Edition, author Geraldine E. Hynes preserves the book's key strengths while reflecting the realities of the contemporary workplace.

Managerial Communication, 3/e by Hynes focuses on skills and strategies that managers need in today's workplace. This book continues to stand out in the field for its strategic approach, solid research base, comprehensive range of topics, its even-handed examination of oral and written channels, and its focus on managerial (as opposed to entry-level) competencies. The overriding principle for the revision was to preserve the book's key strengths while bringing it in line with the early twenty-first century workplace. The chapters have been streamlined and condensed to meet the needs of a busy contemporary manager and content was added to reflect current business practices.

Managerial Communication: Strategies and Applications focuses on skills and strategies that managers need in today's workplace. The first edition of Managerial Communication stood out in the field for its strategic approach, solid research base, comprehensive range of topics, its even-handed

examination of oral and written channels, and its focus on managerial (as opposed to entry-level) competencies. The overriding principle for the revision was to preserve the book's key strengths while bringing it in line with the early twenty-first century workplace. The chapters have been streamlined and condensed to meet the needs of a busy contemporary manager and content was added to reflect current business practices. In short, the second edition preserves the best features of the first edition, while bringing them up to date and presenting them in a concise, easy to read format. Today's managers will learn the skills and strategies necessary for successful and effective business communication.

The first book of its kind to offer a unique functions approach to managerial communication, *Managerial Communication* explores what the communication managers actually do in business across the planning, organizing, leading, and controlling functions. Focusing on theory and application that will help managers and future managers understand the practices of management communication, this book combines ideas from industry experts, popular culture, news events, and academic articles and books written by leading scholars. All of the levels of communication (intrapersonal, interpersonal, group, organizational, and intercultural) play a role in managerial communication and are discussed thoroughly. The top, middle, and frontline communications in which managers engage are also addressed. Expounding on theories of communication, the authors relate them to the theories of management—such as crisis management, impression management, equity theory, and effective presentation skills. These are the skills that are invaluable to management.

Elements of Parliamentary Debate: A Handbook is the first complete guide available to students on parliamentary debate. The brief handbook covers the basics of parliamentary debate in an easy-to-use and flexible format. Topics covered include debate preparation, resolution analysis, case construction, refutation, argumentation, and delivery and adjudication. As a text or supplement, *Elements of Parliamentary Debate* offers a handy reference guide to students, instructors and coaches interested in, or now practicing, parliamentary debate.

This well organised book with numerous attractive features provides a comprehensive and holistic approach to business and managerial communication. It deals with the modern practices of both verbal and non-verbal communication, which has today become a core part of our personality. The book has a blend of theories and strategies adopted in speaking, listening and writing with their practical applications at the managerial, organisational, corporate, individual and group levels. Thus, the book will be of immense use to the students of management and related fields of study and professionals—managers, advertising, marketing and public relations executives, businessmen and HR experts. Besides, the book will prove helpful to the job seekers. **KEY FEATURES :** Illustrates theories and principles with day to day examples. Ensures understanding of concepts explained by using practice sessions. Gives special focus to lateral and soft skills in an exclusive chapter. Provides case studies along with discussion questions. Invites readers' active participation by means of analytical exercises and project tasks. Includes skill tests, communication tasks, quizzes and exercises.
