My New Baby goes through the many thoughts that a young sibling may have regarding a new baby in the house. Some examples are, "Is the baby hungry?", "This baby smells nice," "Is the baby clean yet?". The text is very simple, and easy for young children to relate to. Most of the book is about the pictures.

My New Baby by Rachel Fuller - Goodreads
This series of four board books deals with the anticipation of waiting for the new baby, the excitement of the arrival itself, and the beginnings of the special relationship that develops between siblings. The simple conversational text and lively illustrations are carefully designed to encourage further dialogue between reader and child.

Why does my baby have jaundice? Jaundice is caused by the build-up of bilirubin in the blood. Bilirubin is a yellow substance produced when red blood cells, which carry oxygen around the body, are broken down. Jaundice is common in newborn babies because babies have a high number of red blood cells in their blood, which are broken down and replaced frequently. Also, a newborn baby's liver is ...
