The kingdoms of Connacht and Ulster are preparing to do battle with each other. Medb, the sly and envious Queen of Connacht, is on a mission to steal the fabled Brown Bull of Cooley from the men of Ulster. The Ulstermen, crippled by an ancient curse, face defeat from her armies, until a hero emerges in the shape of the warrior Cú Chulainn: a man of superhuman strength and supernatural powers. Through guerrilla tactics and great chariot fights he manages to defend his province and hold off the Connacht army until Medb tricks him and it seems victory may come at a bitter price.

Also known as The Cattle Raid of Cooley, this ancient Irish legend recounts the heroic feats of Cú Chulainn. Its scenes of fierce combat are interwoven with earthy humor and wild exaggeration.

First written down in the eighth century AD, these early Irish stories depict a far older world - part myth, part legend and part history. Rich with magic and achingly beautiful, they speak of a land of heroic battles, intense love and warrior ideals, in

which the otherworld is explored and men mingle freely with the gods. From the vivid adventures of the great Celtic hero Cu Chulainn, to the stunning 'Exile of the Sons of Uisliu' - a tale of treachery, honour and romance - these are masterpieces of passion and vitality, and form the foundation for the Irish literary tradition: a mythic legacy that was a powerful influence on the work of Yeats, Synge and Joyce.

Then they took the flowers of the oak, and the flowers of the broom, and the flowers of the meadowsweet, and from those they conjured up the fairest and most beautiful maiden that anyone had ever seen. Celtic mythology, Arthurian romance, and an intriguing interpretation of British history — these are just some of the themes embraced by the anonymous authors of the eleven tales that make up the Welsh medieval masterpiece known as the Mabinogion. They tell of Gwydion the shape-shifter, who can create a woman out of flowers; of Math the magician whose feet must lie in the lap of a virgin; of hanging a pregnant mouse and hunting a magical boar. Dragons, witches, and giants live alongside kings and heroes, and quests of honour, revenge, and love are set against the backdrop of a country struggling to retain its independence. Sioned Davies' lively translation recreates the storytelling world of medieval Wales and re-invests the tales with the power of performance.
