One night while getting ready for bed a little boy starts to wonder what will life be like when he grows up. He could be a painter, a musician, a mountain climber, a mayor... He tells his mother all about his big ideas...and all of the other things he wants to do. But when will he grow up? And why does it take so long?

PARENTING NEVER ENDS. From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of Grown and Flown, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. Grown and Flown is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. Grown and Flown is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

Eleanor Roosevelt's book on citizenship for young people now revised and updated for a contemporary audience. In the voice of one of the most iconic and beloved political figures of the twentieth century comes a book on citizenship for the future voters of the twenty-first century. Eleanor Roosevelt published the original edition of When You Grow Up to Vote in 1932, the same year her husband was elected president. The new edition has updated information and back matter as well as fresh, bold art from award-winning artist Grace Lin. Beginning with government workers like firefighters and garbage collectors, and moving up through local government to the national stage, this book explains that the people in government work the voter. Fresh, contemporary, and even fun, When You Grow Up to Vote is the book parents and teachers need to talk to children about how our government is designed to work.
